UPDATE LETTER –

Expressing our deep gratitude and appreciation for the Loving care given my husband, Senior Pastor/Bishop Charles R. Grisham and Editor-in-Chief of The Apostolic Writers' Digest

To Pastor Ken and Mrs. Pauline Foreman... who graciously accepted the task to Pastor and be responsible for the daily spiritual care and work of the church... who is doing an excellent work of Pastoring the church with dignity, devotion and loyalty to Senior Pastor/Bishop Charles Grisham... We rejoice with you and thank God for new growth and souls added to "first" church of Detroit – New Life (Apostolic) Church

To New Life Church Family of Detroit... for your constant love and prayers and your caring support for 34 years.... We bonded with you and became connected by our hearts. We appreciate your uncommon devotion all through the years... and since our retirement two years ago, in July 2007. We are happy for visits from Pastor Foreman Family and brothers; Jon Jeffrey, Willie Neal, Paul Friedman, Berris Flemming, and James Morton. **Youth Leaders/Assist Pastor Bryan and Cami Campbell** blessed our hearts by bringing a few of the youth group to visit us in the fall of 2007, David Kulig and Russell Cook are among those who enjoyed a visit to First Church.

To Pastor Ron and Cheryl Becton... for your help and care every weekend... and to First Church, Nashville... Thank you for the many home cooked meals, visits with prayers and trips to Riverside for Catfish dinners, not to ever forget the favorite fast food meals, hamburgers, Taco Bell, and hot fudge sundaes. Special mention of our "care leaders" The Don Kemps and the Jerry Barlers, and Lucille Barler, our closest neighbor. Space does not permit the list of special care and attention from these dear families. Attending daughter Cheryl's "new convert" Sunday School class is one of Bro. Grisham's favorite things to do!

To the Grisham Family... Terri Bass, Colorado... Mark, Houston, Texas... Cheryl Becton, Nashville... Greg, Indiana... Daren, New York... they have dedicated themselves to the care of their parents for weeks at a time!

Friends world-wide... Your cards, letters, phone calls... Your visits and words with strong prayer were of encouragement. Many days and nights you lifted our spirits and gave us strength to grow in faith.
